HAMBURG IS OUR HOME;  
AND SO IS THE WHOLE WORLD.

As a logistic company founded in Germany's major port, Hamburg, we have been passing through the "Gateway to the World" for our customers daily since 1986. Our precision, enthusiasm, and expertise ensures that goods of any kind and size arrive safely, quickly, and economically at their destinations on five continents— by water, air, rail and road; Directly or in smart grouped multimodal transport shipments. With our own branches in Germany, China, and USA we are able to service the rest of the world through our established agency network that continues to prove itself year over year and guarantees speedy and reliable order processing worldwide.

Absolute planning and process reliability is the basis on which many customers have remained loyal to us for over thirty years. We look forward to the opportunity earning your trust as well.

## INDIVIDUAL AND ECONOMIC

We offer solutions that are designed specifically for the individual operations of our customers, with an emphasis on cost structure. We effectively recognize the possibilities for optimizing value chains, and with the support provided by our experienced logistics advisors we can help you save time and money. We can handle any transportation task your company needs, just let us know the details and we will tell you how working with CONTEX SHIPPING will pay off for you.

## PERFECT SOLUTIONS WITHOUT DETOURS

As the dynamics of the market grow, mobility and adaptability play an increasingly important role. At CONTEX SHIPPING experienced specialists work in your interest and for your benefit. The organizational transparency of our shipping and logistics Company makes it very effective and is the basis of our focus, the needs of our customers. With us you can learn what real flexibility and rapid solutions actually mean. Quick, effective and secure decisions get your shipments on their way in a timely and economical manner. Whatever questions and needs you may have: just call and you will always be connected directly to your personal contact who can provide you with the right information for all of your logistical needs.

## PROJECT SHIPMENTS

**YOUR DELIVERIES ARE NEVER TOO BIG OR TOO SMALL FOR US.**

With our experience, the largest goods can quickly be moved. We have been your highly-qualified partner for world-wide break bulk and heavy goods shipments by land, sea and air freight, since 1996. If your needs are major domestic and international projects, we can coordinate just in time deliveries of the plant and components from different countries. From deciding on the method of shipment to planning the best route to organizing customs clearance and the right transport insurance our tailored solutions will meet your needs. We often find unusual and very creative solutions for our customers in order for the right components to be at the right place at the right time, undamaged and complete, all while keeping an eye on reasonable cost/benefit ratio at all times.

### WHAT WE DO FOR YOU

- Project management
- Transport and project supervision
- Route planning
- Selection of transport means
- Customs clearance
- Transport insurance

## SEA FREIGHT

### WITH US EVERY PORT IS A SAFE PORT FOR YOU

With our roots in Hamburg, our branches now spread throughout the world. Whether cross trades or short sea shipments: we always ship your goods safely to their final destination. From a single pallet, to a container, to a complete plant, no shipment is too big or too small. Upon request, we do not just take care of the transport, but also all of the logistics to ensure the timely door-to-door deliveries. You really do not have anything else to worry about and afterwards can just sit back and enjoy a job well done. This service is much appreciated by our long-standing customers.

### WHAT WE DO FOR YOU

- Containers (FCL and LCL) Liquid shipments Dangerous goods
- Plants
- Short sea shipment

## AIR FREIGHT

### HIGHER, FASTER, FURTHER

When time is of the essence it is important for your goods to reach their destination quickly. Whether they are perishable foods, or a tight deadline must be met, or simply because you want your products to be available before your competitors, we have a solution for you. Every day, we arrange flight connections throughout the world for your shipments – full or part charters depending on the size of your deliveries. With our good connections to the most important international airports, we always make sure that your deliveries reach their final destination.

We are listed as an IATA- Agent to extend our service.
